

PRESS RELEASE

Toulouse, July 20, 2021

SÉBASTIEN THIRIEZ JOINS ACTIA'S MULTI-DIAG TEAM

ACTIA is delighted to welcome **Sébastien Thiriez** to the after-sales diagnostics team.

Sébastien joins the team as Sales and Distribution Manager, bringing his experience of automotive after-sales distribution networks acquired during his 15-year career with equipment manufacturers, in particular Valeo and Delphi.

Within his new duties and with the support of his team, Sébastien intends to strengthen long-standing partnerships with key accounts for after-sales, and expand listings of the ACTIA multi-make tool within networks and for export.

Sébastien will also be able to draw on a number of innovations contributing to the performance of the Multi-Diag tool as well as all the expertise of the ACTIA development teams.

"Sébastien's arrival marks a crucial milestone in working towards our goal to become the European leader in after-sales diagnostics." declared Jean-Claude Fonté, ACTIA Diagnostics Director.

Meet Sébastien at the Avignon and Toulouse stages of **Equip'Auto On Tour 2021**.

ABOUT ACTIA

Founded in 1986, the ACTIA Group is a family-owned, medium-sized international company with its head office in France. This family aspect guarantees the Group's sustainability and independence, with a constantly renewed entrepreneurial drive. ACTIA designs, manufactures and operates electronics for system management in the highly demanding automotive, rail, aeronautics, space, defence, energy, and telecommunications sectors.

ACTIA's commitments are reflected in the Group's ambitious work on key issues affecting the world today, such as mobility, connectivity, safety, and the environment. ACTIA's high level of expertise in the production and design of its products guarantees top quality. All of the Group's employees uphold this high standard of quality within a fully certified environment.
